Sir,

Holding of weekly shandies in the Chamarajanagar Town

I have the honour to forward a report No C C 6 of 16-47 dated 23rd July 1946 received from the President, Town Municipal Council, Chamarajanagar on the above subject and to state that it is reported by the President that it is very necessary to hold a weekly shandy at Chamarajanagar for the following reasons

Chamarajanagar has been a growing centre of business owing ot its important situation It is between Santhemarahalli and Terkanambi where shandies are held under the control of the District Board A great volume of business is being carried on by people coming from outside the town also, from Santhemarahalli Coimbatore and Kollegal etc, The need for a shandy is then keenly felt

Apart from this aspect there is also the great need to improve the resources of the Municipality to meet heavy expenditure under water supply, drainage, construction of Town Hall, and Vegetable market and another amenities of the residents of the town which are under consideration

All these considerations have weighted with the Municipality in deciding to hold a weekly shandy in the town, and a copy of the resolution passed in the Council is enclosed

The president says that a convenient plot of land is available for the purpose and the holding of the shandy cover no

P T O,

hindrance to shandies held under the auspecies of the Dist Board in the neighbouring places

The President of the District Board who was consulted in the matter thinks it ~~necessary~~ unnecessary to hold the shandy Vide copy of the resolution ~~is~~ enclosed

I agree however with the President, Chamarajanagar that a shandy is very necessary for the Town and request that Government may be moved to sanction the holding of shandies weekly in the town in the circumstances reported above

I have the honour to be,
Sir,
Your most obedient servant,

L Thimmaiah
I/c Deputy Commissioner,
Mysore District
